Re: Fuel Surcharge Update Effective March 26 – April 1, 2007

Dear Valued Customer:

The Pacer Stacktrain FSC is based on the U.S. Department of Energy National U.S. Average Diesel Fuel Price Index value reported each Monday. The FSC is calculated and communicated on a weekly basis on each Tuesday, and the resulting FSC percentage is effective the following Monday for all Pacer Stacktrain services.

On **March 19, 2007** the DOE reported an index value of **2.681**. Therefore, effective **March 26 – April 1, 2007** the Pacer Stacktrain Fuel Surcharge services will be **19%**.

Please note that effective with this Fuel Surcharge update announcement, Pacer Stacktrain will utilize the same Fuel Surcharge Matrix for both ramp-to-ramp and PacerDirect door-to-door services. The Fuel Surcharge Matrix that will now be utilized for both services is located in section 2.6 of our Rules and Procedures which are available from the Services tab of our website: www.pacerstack.com.

The next FSC adjustment will be calculated and communicated on **Tuesday, March 27, 2007** and will be effective on **Monday, April 2, 2007**.

If you have any questions regarding this notice, please feel free to contact your Pacer Stacktrain Business Development or Pricing representative.

We appreciate your business.
