

Updated Rules and Procedures Now Available

Dear Valued Customer,

Pacer Stacktrain has updated its Rules & Procedures. The revisions include:

- New procedures applicable to domestic shipments of consumer electronics moving on the Union Pacific Railroad. Cargo liability is limited to \$100,000 per container or trailer unless specific security and other procedures are met.
- Changes to our Mexico services offerings.
- Ways to obtain PacerDirect rate quotes.

Revisions are clearly marked in the updated Rules and Procedures. If the revisions in the updated Rules and Procedures are not already in effect by operational practice or if the effective date is not stated in the updated Rules and Procedures, the changes shown will become effective as of March 24, 2008.

Getting the information is easy. The complete Information Directory, including the Rules & Procedures, is prominently displayed and always available to view and/or download from our Services Directory page located on our website at www.pacerstack.com. We encourage you to visit our website to review the updated Rules & Procedures right away.

Staying up-to-date is easy, too. Anyone can subscribe to receive our Stack Facts or other important communications. To sign up, just Register for News Bulletins under the What's New section located on our website home page.

Everyone who deals with Pacer Stacktrain services in your organization should be informed about this update. This includes your sales, pricing, operations, finance, and administration teams. You should also ensure that your Beneficial Cargo Owners and other customers are fully aware of the Rules & Procedures that apply to their shipments.

If you have questions, we're here to help. Please contact your Pacer Stacktrain Customer Support or Business Development Representative for assistance.

We appreciate your business.
