CSX-Columbus Off Site Storage Program for IMC Domestic Customers and TPI Customers

Dear valued Customer,

Effective immediately the CSX in Columbus will initiate an off site storage facility to help reduce congestion at the intermodal ramp.

At the expiration of the Last Free Day all Domestic and Third Party International containers will be drayed off to Tri-Modal yard in Columbus, OH.

The storage charges would be paid at time of pickup from the CSX ramp in Columbus, and a J1 would be issued to the trucker at this time. They will then pick up the container over at the Off Site yard which is a mile or so from the ramp.

The hours of operation are Monday through Friday from 0630 until 08:00.
