PACER STACKTRAIN ANNOUNCEMENT

DECKING OF INTERNATIONAL LOADS AT McCook FACILITY - CUB
TERMINAL

To Our Valued Customers:

This announcement is to advise you that all International container loads in storage at the CUB Terminal in McCook, IL effective AUGUST 18, 2001 will be grounded on the 6th day after notification.

The policy and seasonal charge is being enforced due to peak season volumes causing chassis shortages and yard space congestion,

The free time on the container is the standard UPRR arrangement. You will receive a daily faxed or email list of the units that will be decked.

At the end of free time, any unit not picked up will be grounded and the cargo will be charged \$43 for the decking and \$43 for the lift back on the chassis prior to release.

The lift hours are Mon-Fri 0700-1700 and the fax number for the flip authorization is 708-485-8086.
