Christmas and New Year's Holiday Operation Announcement

Dear Valued Customer:

All Pacer Stacktrain services with cutoffs scheduled for Christmas Day and New Years Day will not operate. There will be limited train service from major intermodal facilities on Christmas Eve and New Year's Eve.

Pacer Stacktrain services operating with volume tendered to the network prior to the Christmas and New Year's holiday will continue to operate through to destination, but will be dependent upon rail carriers crew availability. All underlying rail carriers will minimize rail network operations during the holidays.

Those services with scheduled arrival and availabilities on both Christmas and New Year's Day will be delayed a minimum of 24 hours at arrival terminal due to the Holiday operating schedule.

Union Pacific, CSX, CPRR and CNRR have published specific terminal operating hours for the holidays. Most rail terminals supporting the Pacer Stacktrain network will be closed as follows:

Christmas Eve by 1500
Christmas Day
New Years Eve by 1500
New Years Day

If you have any questions regarding the Christmas and New Year's Day Holiday operating plan, do not hesitate to contact your local Pacer Customer Support or Sales Representative regarding specific terminals or Pacer Stacktrain services.

Thank-you for your continued patronage and enjoy the Holiday Season!
