

PACER STACKTRAIN NEWS ALERT

June 28, 2002,
Electronic Bulletin No. 310

Temporary Charlotte cutoff

Please be advised that the CSX railroad will have a rail maintenance gang working on one of its main tracks between Charlotte, NC and Atlanta, GA beginning July 8th through July 19th. In order to prevent any delays to Pacer Stacktrain's Domestic Westbound volume originating in Charlotte, the rail gate cutoff will temporarily change from 1800 to 1600 during the specified dates.

If you have any questions, please contact your local customer service representative.
