Labor Day Holiday Plan

Dear Valued Customer:

In observance of the Labor Day Holiday, Pacer Stacktrain services with a scheduled gate cut off of Monday, September 2, 2002 will not operate.

Pacer Stacktrain services operating with volume tendered to the network prior to the Labor Day Holiday will continue to operate through to destination with 8-12 hour delays as Union Pacific and CSX will attempt to minimize rail network operations so that crew members may observe the Holiday with their families.

Those services with scheduled arrival and availability on Labor Day will be delayed 24 hours at arrival terminal due to the Holiday operating schedule.

The Union Pacific and CSX have published specific terminal operating hours for the Holiday; however, most rail terminals supporting the Pacer Stacktrain network will be closed.

If you have any questions regarding the Labor Day Holiday operating plan, do not hesitate to contact your local Pacer Customer Support or Sales Representative regarding specific terminals or Pacer Stacktrain services.

Thank-you for choosing Pacer Stacktrain and enjoy the Holiday!
