New CY Turn in LA

Dear Valued Customer,

Empty APL ISO 20', 40' and 45' equipment when used for a domestic westbound load should now be returned to another CY facility in the Los Angeles area.

Equipment may be turned in at the following location:

Total Intermodal
1500 E Lomita
Wilmington, CA

Phone: 562-427-6300

Hours of operation 0700-1800

Pacer Stacktrain's Western Region Equipment department will notify carriers for the return of NON-APL ISO equipment.

For further questions, please contact Pacer Stacktrain's Western Region Equipment Group at 714-429-7173, 7178, 7176, 7175 or Customer Support at 800-933-7822.

We will continue to communicate any changes in West Coast turn in locations as they occur.
