Moratorium On St. Paul Inbound Loads

Dear Valued Customer:

Due to a recent buildup of container capacity in St. Paul, MN, and extremely tight capacity conditions throughout the network, Pacer Stacktrain is implementing a temporary moratorium on inbound domestic loads to St. Paul. Effective October 24, and until further notice, Pacer will not accept loads to St. Paul from any origin service location on the network.

If you have any questions please contact your Business Development Representative.
