Re: Service from Salt Lake city to Chicago – Canal Street will change

Effective Monday, May 5, our existing service from Salt Lake City to Chicago - Canal Street will change to the following:

Cutoff	Salt Lake City	1800 day 0
Availability	Chicago - Global 1	1000 day 3

The service is 6 days per week with no Monday cutoff.

The important changes are the new cutoff - 1800, and the new destination terminal in Chicago - Global 1.

The reason for this change is to reduce the number of Chicago terminals we occupy in an effort to make it less confusing for our customer base.

If you have any questions, please contact your local customer service representative.
