RE: Atlanta Cutoff Reinstated

Please be advised that the previously communicated BNSF railroad maintenance of way curfew in Louisiana is now complete.

This maintenance resulted in replacement of over 30,000 concrete and wood railroad ties which will result in improved operating efficiency in this region. Effective Monday, August 11, the original cutoff in Atlanta of 2100 will be reinstated and the 1900 temporary cutoff will be rescinded.

We appreciate your patience during this important track improvement.
