Terminal Advisory

Changes for Philadelphia to West Coast Service

In the continuing effort to provide better service westbound out of the northeast, effective Monday, March 27, 2000, all shipments originating out of Philadelphia to Chicago and beyond to the West Coast will now move out of CSX Philadelphia Snyder Avenue Terminal. Customers should be notified and instructed to tender all containers to this facility. Our systems are currently being updated to reflect this change.

Freight will move on Pacer's PHCH trains (CSX's train symbol is Q135), with no change to scheduled cutoffs and or availability's.
