**Re: Terminal changes for the Atlanta-Chicago lane**

---

Dear Valued Customer:

Effective immediately, all Domestic and International volume tendered to the Pacer Stacktrain network that operates between Atlanta and Chicago, northbound or southbound, will be accommodated at a different CSX Atlanta terminal as follows:

Old Terminal	Atlanta Fairburn
New Terminal	Atlanta Hulsey - 173 Boulevard Southeast, Atlanta, GA 30312

There are no changes to this lane's service parameters: cutoff, availability, and frequency all remain the same. Also, the Chicago terminal supporting this business remains Bedford Park.

If you have any questions, please contact your customer support representative.
