Re: New Ramp Matrix Now Available

Dear Valued Customer,

Pacer Stacktrain continually analyzes our network in an effort to provide more efficient transportation for you. Our most current network offerings are reflected in our Ramp Matrix, which is available from the Services page of our website at:
www.pacerstack.com/pdf/forms/ramp_matrix.pdf

Please visit our website to view and download this latest information.

While the Ramp Matrix represents all standard lanes for Pacer Stacktrain, please be aware that any temporary re-routings resulting from the recent hurricanes are not reflected in the matrix. Please feel free to contact our Customer Support team with any specific questions that you may have.

We appreciate your business.
