Re: Changes to Lane Pairs for Gate Reservations

Dear Valued Customer:

In order to serve you better, we have made some changes to the lane pairs in our online gate reservations tool. Effective Monday October 17th, you will see the following new choices in the drop down menus when using our site:

- Sacramento is now a separate origin point; it is no longer paired with Stockton.
- San Diego has now been added as a unique origin point.
- Stockton (Lathrop) to Chicago-Rochelle (Global 3) has been added as a new lane pair.
- City of Industry to Montreal and Toronto must now be requested as a specific lane pair.

If you have any questions or require further assistance, please contact our Gate Reservations Support Desk at (800) 715-5046.

We appreciate your business.
