Effective immediately, Pacer Stacktrain will temporarily reduce the FAK rates from Cleveland and Columbus, Ohio to the US West Coast on 40-ft containers. The reduced rates will remain in effect until at least September 1, 2000, after which we will re-examine the merits of this program and consider an extension. The new FAK rates levels are as follows:

Cleveland to:	Los Angeles	\$ 900
	Oakland	\$1000
	Stockton	\$1050
	Portland	\$ 925

Columbus to:	Los Angeles	\$ 900
	Oakland	\$1000

These rates are subject to the following provisions:

1. Applies only in APL/NOL or Pacer Stacktrain controlled (dispatched) equipment sourced in Cleveland or Columbus, Ohio.

2. Not valid on International Cargo with a subsequent water movement.

PSQ's in effect at higher rates should use the FAK rate authority PSQ1000-X. In addition, we will not issue Beneficial Owner specific PSQ's at the new FAK levels at this time.

Please communicate these new FAK's with your personnel. If you have any questions regarding this notice, please contact your Pacer Stacktrain Business Development or Pricing representative.
