Re: Fuel Surcharge Update Effective February 5 - February 11, 2007

Dear Valued Customer:

The Pacer Stacktrain FSC is based on the U.S. Department of Energy National U.S. Average Diesel Fuel Price Index value reported each Monday. The FSC is calculated and communicated on a weekly basis on each Tuesday, and the resulting FSC percentage is effective the following Monday for all Pacer Stacktrain services.

On **January 29, 2007** the DOE reported an index value of **2.413**. Therefore, the following Pacer Stacktrain Fuel Surcharge provisions will be effective **February 5 - February 11, 2007**:

Ramp-to-Ramp Services:

Ramp-to-ramp services will remain at **15.5%**.

PacerDirect Door-to-Door Services:

Door-to-door services will remain at **16.0%**.

The next FSC adjustment will be calculated and communicated on **Tuesday, February 6, 2007** and will be effective on **Monday, February 12, 2007**.

Full details regarding the Pacer Stacktrain FSC methodology can be found in our Rules and Procedures which are available from the Services tab of our website:
